A Message to Our Members

FCRTA awarded two scholarships this year. The recipients were very deserving. They are Regina Scott and Jessica

Burke

Congratulations and a wonderful start to their new school year!

With School Starting it is a time when parents realize that teachers are grossly underpaid!

A sizable donation to our scholarship fund has come in from the estate of Eileen Young. Eileen was a long time member of FCRTA and past board member. We wish to thank those involved in this wonderful memory of Eileen!

Thank You

This month we are sending those people newsletters who have graciously given me their email addresses.

If you wish to have the newsletter electronically sent also, please email a message to Missy Rush at mrush52995@aol.com, and your name will be added to the list.

Thanks to those who have already sent their email addresses to Missy.

MEDICAL IDENTITY THEFT

(This information is provided for informational purposes only)

Medicare is replacing its old cards with new ones. They contain an 11-digit code instead of a Social Security number. Scammers are taking advantage of this change. A caller pretending to be a Medicare representative will ask for payment in exchange for the new ID. Alternatively, the caller might claim to need the victim's medical information to send out their new card. Though, the cards are free and are mailed automatically. In another variation, a caller will wrongly insist that the victim must purchase Medicare's prescription drug coverage or risk losing all coverage. In another ruse not limited to Medicare members, the caller asks for the victim's checking account number and Social Security number to deposit a supposed refund from their insurer.

Know that Medicare will never call you. They always contact members via mail.

Fighting back - If you've been victimized by medical identity theft, be sure to report it! Alert the FTC using their website at ftc.gov, or at 1-877-438-4338.

If you are a member of Medicare, call 800-MEDICARE or visit Medicare.gov.

Alternately, report the scam to your own insurance provider.
